The cost of any provisional repairs will be borne by the Company if such repairs constitute part of the final repairs, and do not increase the total repair expenses.

If the sum insured is less than the amount required to be insured as per Provision-1 herein above, the Company will pay only in such proportion as the sum insured bears to the amount required to be insured. Every item, if more than one, shall be subject to this condition separately.

The Company will make payments only after being satisfied, with the necessary bills and documents, that the repairs have been effected or replacement have taken place, as the case may be.
