##### **BASIS OF INDEMNITY**

- b. In cases where an insured item is destroyed, the Company will pay the actual value of the item immediately before the occurrence of the loss, including costs for ordinary freight, erection and customs duties if any, provided such expenses have been included in the sum insured, such actual value to be calculated by deducting proper depreciation from the replacement value of the item. If the sum insured is less than the amount required to be insured as per Provision - 1 hereinabove, the Company will pay only in such proportion as the sum insured bears to the amount required to be insured. Every item if more than one shall be subject to this condition separately.

The Company will make payments only after being satisfied, with necessary bills and documents that the repairs have been effected or replacements have taken place, as the case may be. The Company may, however, not insist for bills and documents in case of total loss where the Insured is unable to replace the damaged equipment for reasons beyond their control. **SECTION III – INCREASED COST OF WORKING**

Notwithstanding Special Exclusion (i) under Section 1 of this Policy the Company hereby agrees to indemnify the Insured upto but not exceeding the limits of Indemnity stated in the Schedule for all additional costs which the Insured shall incur to ensure continued data processing on substitute equipment if such costs arise as an unavoidable consequence of an indemnifiable loss or damage during the period of insurance to property insured under the Material Damage Section of this Policy.

As from the date of an indemnifiable occurrence the sum insured shall be reduced for the remaining period of insurance by an amount of indemnity paid unless - reinstated by payment of an additional premium prescribed by the Company.

### **Memo 3 LOSS SETTLEMENT –**
