RENEWAL BENEFIT UNDER THE POLICY

I. NO CLAIM BONUS

No Claim Discount is a reward given to Insured Person who don't make any claims during a policy period. Further under No claim discount the Insured Person as 2 options, that is:

- Cumulative Bonus (or)
- No Claim Discount

Cumulative Bonus

If You've been safe and healthy and have had No Claims made under the **Section 1. Hospitalization Cover** in the expiring Policy Period, you would be eligible for Cumulative Bonus at the time of renewal/or policy year completion in case of term more than one year as per plan opted and mentioned in Your Policy Schedule, provided that:

1. There is an upper limit to the Cumulative Bonus You can earn. In any Policy period, the accrued Cumulative Bonus (including any carried forward Cumulative Bonuses from the previous policy) shall not exceed the limit mentioned in Your Policy Schedule.
2. For a Floater Policy, the Cumulative Bonus shall be available only on Floater Basis. It shall accrue only if no claim has been made for any of the Insured Members during the expiring Policy Period.
3. In the event of a claim in the expiring policy period, the Cumulative Bonus will reduce in the same way as it was accrued in the policy at the time of renewal.
4. If You discontinue the Policy or fail to renew the Policy within the Grace Period, the entire Cumulative Bonus will be lost.
5. The Cumulative Bonus shall be applicable on an annual basis subject to continuation of the Policy with Us.
6. For an individual Sum Insured policy, the Cumulative Bonus shall only be accrued for a member, if he/she has completed at least 12 months at the time of policy renewal.
7. In policies with a tenure of more than one year, the above guidelines of Cumulative Bonus shall be applicable post completion of each policy year
8. The Cumulative Bonus will be Calculated on the Sum Insured as opted by You under **Section 1. Hospitalization Cover**.

Note: Cumulative bonus opted at the inception of the first policy with us can't be changed during the policy period and subsequent renewals.

No Claim Discount

If You have opted for this cover and have had no claim in the expiring policy, then You will be eligible to receive a discount in the premium, at the time of renewal of Your policy.

This No Claim Discount is offered as a part of "No Claim Bonus" and operates like 'Cumulative Bonus' where the objective is to reward the policyholder for a claim free policy period.

"No Claim Bonus benefit" means any benefit received by the Policyholder either through Cumulative bonus (in the form of Increase in Sum Insured at renewal) or through No Claim Discount (in the form of Discount on renewal premium), as opted, if there is no claim in the expiring policy.

This will work in tandem with Cumulative Bonus available under base health insurance policy and will provide an option to You to opt for discount on premium **instead of** accruing additional sum insured under Cumulative Bonus. Please note that You can choose **either of** 'Cumulative bonus' or 'No Claim Discount'.

At the time of issuance of new/ renewed policy, we will give option to You to either choose Cumulative Bonus or No Claim Discount. In case of claim free policy, You will be eligible to receive of the opted NCB benefit at the time of renewal.

Provided that:

- i. No Claim Discount will be provided if no claim is made under the sections as mentioned under Cumulative Bonus which lead to increase in Sum Insured. This discount will be provided only to the extent of premium applicable for the sections where Sum Insured is increased by Cumulative Bonus under the product.

For e.g., If You have opted for "Cumulative Bonus" (in the form of Increase in Sum Insured at renewal for Hospitalization Section) and no claim is made under Section 1 Hospitalization Cover in expiring policy, then You will be entitled to Increase in Sum Insured of Hospitalization Section only.

Similarly, if You have opted for "No Claim Discount" (in the form of Discount on renewal premium for Hospitalization Section) and no claim is made under Section 1 Hospitalization Cover in expiring policy, then You will be entitled to discount on applicable premium of Hospitalization Section.

- ii. No Claim discount will accrue for each claim free policy period, subject to a maximum limit on No Claim Bonus Benefit. In the event of a claim in the expiring policy, No Claim Discount will reduce in the same way as it was accrued in the policy at the time of renewal.

For example:

- No Claim Bonus Benefit is provided only on Hospitalisation Section of the Policy
- Sum Insured for Hospitalisation Cover = INR 10,00,000
- Premium for Hospitalisation Section = INR 10,000
- Maximum Limit on No Claim Bonus Benefit = 5 times (Maximum Discount 5%)
- No Claim Discount per claim free Policy Period = 1% on Hospitalisation Section Premium

Policy Year	Claim in Hospitalisation Section in Previous Policy	Incremental Discount on Premium	Accrued Discount for the policy period	Discount on Hospitalisation Section Premium (in INR)	Premium after discount on Hospitalisation Section (in INR)
1	-	0	0	0	10000
2	No	1%	1%	100	9900

8	No	1%	5%	500	9500
9	No	1%	5%	500	9500
10	Yes	-1%	4%	400	9600

- For a Floater Policy, No Claim Discount shall be available only on Floater Basis. It shall accrue only if no claim has been made for any of the Insured Members during the expiring Policy Period.
- If You have reached the maximum limit of accruing No Claim Bonus benefit (either through Cumulative bonus or through no claim discount), the accrued benefit will stop increasing and will remain constant subject to no claim in the policies.
- If You discontinue the Policy or fail to renew the Policy within the Grace Period, the entire No Claim Discount will be lost.
- If You already have accrued Cumulative Bonus / No Claim Bonus benefit under Your Policy and You have opted for this add on cover/ switched to another No Claim bonus benefit option:
 - Your accrued Cumulative Bonus / No Claim Bonus benefit will not lapse.
 - In case You have made any claim during the policy period, Your No Claim Bonus Benefit will reduce in the same way as it was accrued.

For Example:

- No Claim Bonus Benefit is provided only on Hospitalisation Section of the Policy
- Sum Insured for Hospitalisation Cover = INR 5,00,000
- Premium for Hospitalisation Section = INR 5,000
- Cumulative Bonus = 10% each claim free policy period, subject to maximum of 50% (Maximum 5 No Claim Bonus Benefit points)
- Maximum Limit on No Claim Bonus Benefit = 5 times

II. CARRY FORWARD SUM INSURED

At the time of renewal/or policy year completion in case of term more than one year of the policy, sum insured under Section 1 - Hospitalization Cover of the renewed policy will be increased based on the unused base sum insured of Section 1 – Hospitalization Cover of the expiring policy, subject to the following:

- i. Maximum 100% of the unused Base Sum Insured (i.e sum insured less any carry forward Sum Insured) will be carried forward at the time of renewal.
- ii. Maximum carried forward of unused Base Sum Insured, year on year, will be limited to 100% of Base Sum Insured of the expiring policy.
- iii. No cumulative bonus benefit will be provided under the product if this cover is opted.

For this optional cover, unused base sum insured will mean total sum insured minus any claim amount under the policy during the policy period.

III. INFLATION BOOST

The Inflation Boost cover helps customers maintain their insurance coverage in the face of rising medical costs. By linking the Base Sum Insured to medical inflation rates, this feature ensures that the coverage amount increases in line with inflation. This means that as healthcare expenses rise, the insurance coverage automatically adjusts to keep pace, providing adequate protection without the need for frequent manual updates. Essentially, it offers a proactive way to safeguard against the financial impact of escalating medical costs, ensuring that policyholders are well-protected over time. Subject to the following:

- i) The Annual Sum Insured will be increased on cumulative basis at each Renewal on the basis of inflation rate in previous year. Inflation rate would be computed as the average CPI of the entire calendar year published by the Central Statistical Organization (CSO).
- ii) The % increase will be applicable only on Annual Sum Insured under the Policy and not on Cumulative Bonus or any other Optional Covers which leads to increase in Sum Insured.
- iii) The Base Sum Insured will keep increasing to the maximum up to 100% of Base Sum Insured.

At the time of renewal, if the insured person opts out for this cover, then the sum insured under the Inflation Boost accrued up to the expiring policy year will be forfeited.

RENEWAL BENEFIT UNDER THE POLICY**I. NO CLAIM BONUS**

No Claim Discount is a reward given to Insured Person who don't make any claims during a policy period. Further under No claim discount the Insured Person as 2 options, that is:

- Cumulative Bonus

(or)

- No Claim Discount: If You have opted for this cover and have had no claim in the expiring policy, then You will be eligible to receive a discount in the premium, at the time of renewal of Your policy.

This No Claim Discount is offered as a part of "No Claim Bonus" and operates like 'Cumulative Bonus' where the objective is to reward the policyholder for a claim free policy period.

"No Claim Bonus benefit" means any benefit received by the Policyholder either through Cumulative bonus (in the form of Increase in Sum Insured at renewal) or through No Claim Discount (in the form of Discount on renewal premium), as opted, if there is no claim in the expiring policy.

This will work in tandem with Cumulative Bonus available under base health insurance policy and will provide an option to You to opt for discount on premium **instead of** accruing additional sum insured under Cumulative Bonus. Please note that You can choose **either of** 'Cumulative bonus' or 'No Claim Discount'.

At the time of issuance of new/ renewed policy, we will give option to You to either choose Cumulative Bonus or No Claim Discount. In case of claim free policy, You will be eligible to receive of the opted NCB benefit at the time of renewal.

II. Carry Forward Sum Insured**(Available only if Cumulative Bonus is not opted)**

At the time of renewal/or policy year completion in case of term more than one year of the policy, sum insured under Section 1 -Hospitalization Cover of the renewed policy will be increased based on the unused base sum insured of Section 1 – Hospitalization Cover of the expiring policy, subject to the following:

- i. Maximum 100% of the unused Base Sum Insured (i.e sum insured less any carry forward Sum Insured) will be carried forward at the time of renewal.
- ii. Maximum carried forward of unused Base Sum Insured, year on year, will be limited to 100% of Base Sum Insured of the expiring policy.
- iii. No cumulative bonus benefit will be provided under the product if this cover is opted.

For this cover, unused base sum insured will mean total sum insured minus any claim amount under the policy during the policy

period.

III. INFLATION BOOST

The Inflation Boost cover helps customers maintain their insurance coverage in the face of rising medical costs. By linking the Base Sum Insured to medical inflation rates, this feature ensures that the coverage amount increases in line with inflation. This means that as healthcare expenses rise, the insurance coverage automatically adjusts to keep pace, providing adequate protection without the need for frequent manual updates. Essentially, it offers a proactive way to safeguard against the financial impact of escalating medical costs, ensuring that policyholders are well-protected over time.

Benefits in detail

A. Death Benefit

Digit Glow Term Life Insurance ensures that your family is financially protected in your absence by paying them the Death Benefit as a lumpsum amount as follows, subject to the policy being in-force:

Death Benefit payable will be higher of the following:

- 105% of total premiums paid as on date of death, or
- 10 times the Annualized Premium, or
- Sum Assured on Death

Where, **Total Premiums Paid** means total of all the premiums received, excluding any extra premium, any rider premium and taxes.

Annualized Premium means the premium amount payable in a year chosen by you, excluding the taxes, rider premiums, underwriting extra premiums and loadings for modal premiums, if any. The applicable taxes, if any, will be collected from you separately as over and above such premium.

Sum Assured on Death means an absolute amount of Benefit which is guaranteed to become payable on occurrence of the event of death of the Life Assured after the Risk Commencement Date and during the Policy Term and in accordance with the terms and conditions of the Policy.

Upon the payment of the death benefit, the policy will terminate and no further benefits shall be payable.

B. Inbuilt Optional Benefits

You can choose one or more inbuilt optional benefits at the inception of the policy by paying extra premium, subject to terms and conditions of the policy. These optional benefits are not applicable for point of sale (POS) policies.

B.1 Additional Accidental Death Benefit (ADB)

If this benefit is chosen, then upon death of the life assured due to an accident, where such accident has happened during the policy term and the policy is in-force, in addition to the death benefit, the accidental death benefit will be paid in lumpsum.

Additional accidental death benefit payable will be equal to 100% of sum assured on death. A claim under this benefit option will be admitted provided that the death:

- i. is caused by injury resulting from an accident,
- ii. occurs solely and directly due to the injury, and independent of any other causes,
- iii. occurs within 180 days of the occurrence of accident and
- iv. is not a result from any of the causes listed in the exclusions for additional accidental death benefit specified under general policy provisions/definitions/exclusions section below.

In case, the accident occurs while the life assured's additional accidental death benefit is in-force, but the accidental death occurs after the completion of policy term and within 180 days of the accident, additional accidental death benefit will be paid to the claimant.

Upon payment of additional accidental death benefit, the policy will terminate and no further benefits shall be payable.

B.2 Additional Accidental Total and Permanent Disability (ATPD) Benefit

If this benefit is chosen, then upon occurrence of total and permanent disability due to an accident, where such accident has happened during the policy term and the policy is in-force, additional accidental total and permanent disability benefit will be paid in lumpsum. Additional accidental total and permanent disability benefit payable will be equal to 100% of sum assured on death and will be in addition to death benefit and other inbuilt optional benefits chosen (if any).

In case, the accident occurs while the life assured's additional accidental total and permanent disability benefit is in-force, but the accidental total and permanent disability (ATPD) occurs after the completion of policy term and within 180 days of the accident, additional accidental total and permanent benefit will be paid to the claimant.

On payment of the additional ATPD benefit, coverage for this benefit under the policy terminates, however, the policy will continue for in-force death benefit and other in-force inbuilt optional benefits (if any) for the remaining policy term.

Definitions and exclusions pertaining to additional accidental death benefit and additional accidental total and permanent disability benefit are provided under general policy provisions/definitions/exclusions section below.

B.3 Accelerated Terminal Illness Benefit

Under this benefit, upon diagnosis of terminal illness during the policy term, accelerated terminal illness benefit will be paid in lumpsum. It is payable only once during the lifetime of the life assured and will be equal to the death benefit under the policy.
